WHO Collaborating Center for clinical care, diagnosis, response and training on Highly Infectious Diseases

Did you watch the IUIS Webinar on The Global Scientific Response to COVID-19 by Giuseppe Ippolito (Scientific Director at the National Institute for Infectious Diseases in Rome, Italy).

“Giuseppe Ippolito shares his opinion on why policy responses to the coronavirus pandemic must be based on scientific evidence – and why policymakers must invest in science to be prepared for future infectious diseases.”

If you missed it, please watch it below.
